SWEET POTATOES
Yeah, it's just my first time making this, but it looks pretty good. ♥
Wow, the one today looks really tasty, too!
Want to see what it tastes like?
Okay!
It's good!
Even so...
You've made so many—who should we give them to, I wonder?
Kotone-chan, your cooking always makes me happy!
It's looking at you eating with such a happy face itself that makes me feel happy, Fuka-

Eh? Senpai?
Today's Monday. You don't have extracurriculars today, right?
YEAH, THAT'S WHY I WENT TO STUDY IN THE LIBRARY.
DESPITE WHAT IT SEEMS TO BE, I STILL HAVE TO PREPARE FOR THE EXAMINATIONS.
WHAT ABOUT YOU? WHY ARE YOU STILL HERE AT THIS HOUR?
I'm with the Home Economics class.
OH, THE CLUB FUUKA'S IN, HUH.
The truth is...
I actually wanted to give it to Sanada-senpai, so I tried making something not so sweet...
ARISATO?
YOU STILL HAVEN'T GONE HOME YET?
Eeh... About that...
Ah, right! How about we give them to everybody at the dorm?
Of course! That would be nice!
SIGH
...Right. Why did I say we should give this out to everyone at the dorm, again?

"GRIP"
ARISATO...?
THERE'S A SOMEWHAT SWEET SMELL HERE...
Eh...?

IT SMELLS SWEET, BUT THAT'S NOT BAD.
ON THE CONTRARY—
Wait...
IT SMELLS TASTY...
That's too close, Senpai!
GASP

Moreover since we're standing together as a couple, it's like we're going out or something!
Why was I acting so childish at getting so close to her?!

He was really mad, wasn't he? How does that work? What a relief!
But he's so cute, it's almost as if he's laughing at me! I'll be back soon!
I—
I just remembered, there was something I need to do! I'll go home first!

SENPAI!!
WHA...
WHAT WAS I TRYING TO DO JUST NOW...?
"LINS AWAY"

"THINKING"
I WONDER WHAT IT TASTES LIKE...
THAT NICE SMELL...
BUT... ARISATO...
EH?!
WHAT THE HELL WAS I THINKING?!

Ah! In that case, if I want to lure senpai, I can probably do it by carrying snacks around!
In the end, I distributed the sweet potatoes to everyone at the dorm when I got back.
